### Action Taken Report

There are no suggestions from the students on improvement of teaching-learning rather their remarks are good on an average. Very few students are demanding sports periods in the regular teaching time table which is not possible as there is separate time table for sports and games.

Sr. No.	Suggestion made by students	Action Taken
1	Sports and Games Periods	The sports and games time table is separate from the regular teaching time-table and cannot mix both.
2	Xerox Facility	Xerox machine is available but there is no full time hand to operate it but suggestion is under consideration that students should be given fixed one hour duration 4.00pm to 5.00pm.
