#### Workshop on N-LIST Demonstration for Student

#### Report (Session 2020-21)

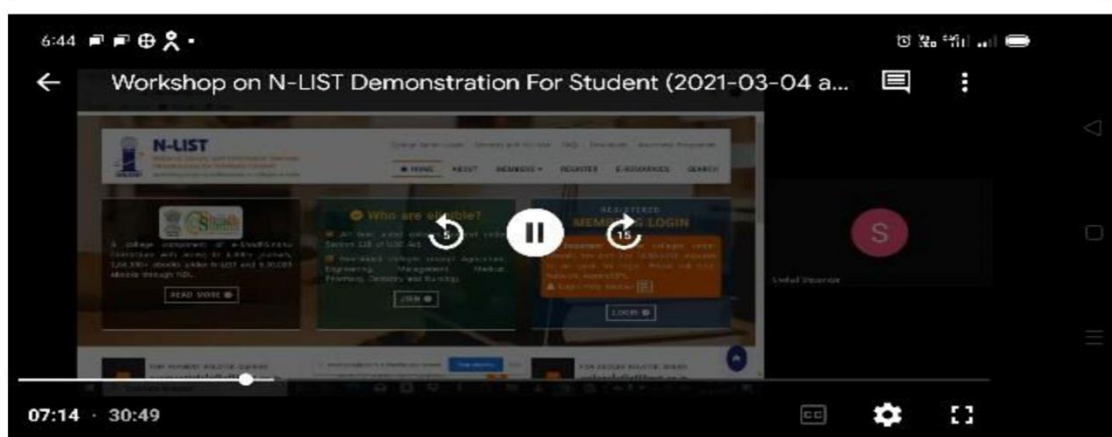

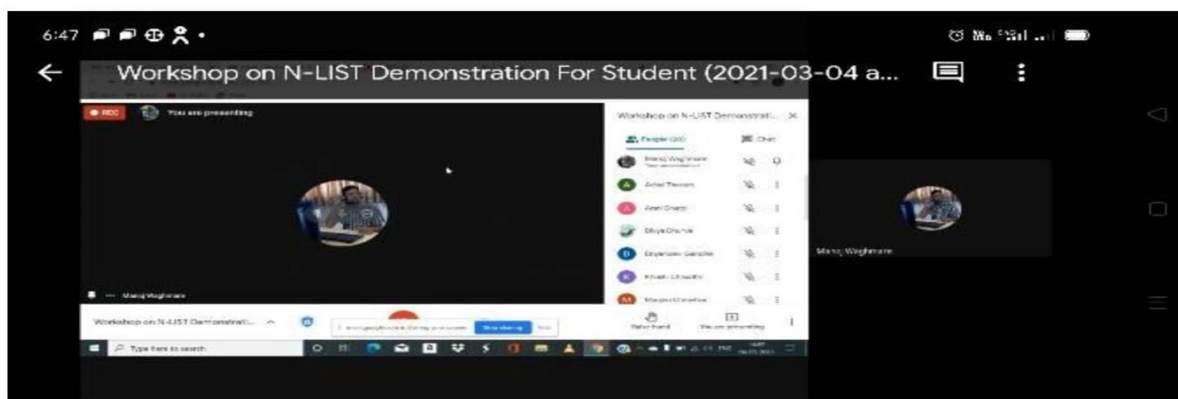

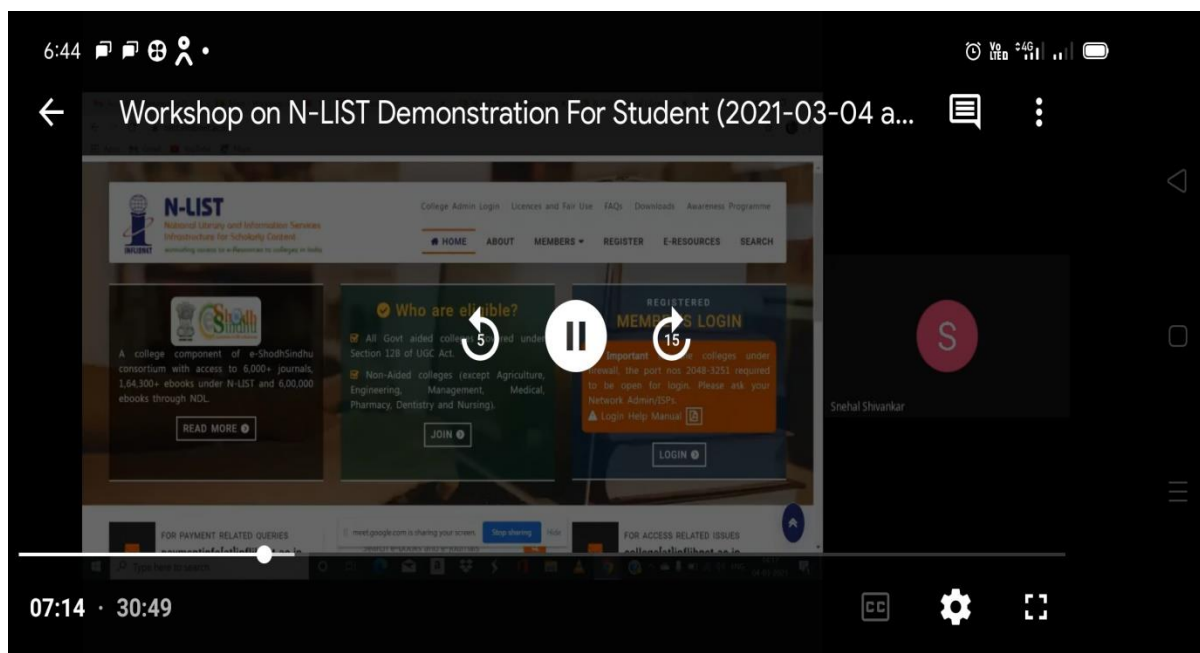

The Project entitled "National Library and Information Services Infrastructure for Scholarly Content (N-LIST)", being jointly executed by the e-ShodhSindhu Consortium, INFLIBNET Centre and the INDEST-AICTE Consortium, IIT Delhi provides for i) cross-subscription to e-resources subscribed by the two Consortia, i.e. subscription to INDEST-AICTE resources for universities and e-ShodhSindhu resources for technical institutions; and ii) access to selected e-resources to colleges. The N-LIST project provides access to e-resources to students, researchers and faculty from colleges and other beneficiary institutions through server(s) installed at the INFLIBNET Centre. The authorized users from colleges can now access e-resources and download articles required by them directly from the publisher's website once they are duly authenticated as authorized users through servers deployed at the INFLIBNET Centre. N-LIST is a College Component of e-shodhShindhu consortium with access to 6000+ e-journals, 164300+ e-books under N-LIST and 600000 e-books under NDL. Our College has subscribed the N-LIST.

To promote reading and maximum use of N-LIST e-resources, our College Library was organized the workshop on N-LIST demonstration for the College Student on 4<sup>th</sup> March 2021 online mode. Librarian, Mr. M. P. Waghmare, Convenor of the workshop has given live demonstration of N-LIST by using google meet platform. In this session the participants have learn how to activate the N-LIST membership, login to N-LIST and use of N-LIST.

There were twenty participants actively participated in the workshop.

**Hands on Training on Chem-Draw Software****Report on Hands on Training on Chem-Draw Software**

The department of chemistry of Rajarshee Shahu Science College, Chandur railway has organized the one day Hands On Training on Chem-Draw Software on 24 february 2022 at department of computer science at 2.00 to 4.00 pm. A total of 15 students attended the training program. The students were first introduced to the software by training coordinator Dr Amol Thakare. This was followed by a discussion on how to use the software. All the students used this information to draw the structure of the molecule in the software and also analyzed it.

The program was successfully completed as per the schedule, which was given to the participants prior to the commencement of the program, without any changes. The participants expressed their complete satisfaction after the completion of program. Feedbacks of students were collected after the completion of program. The program ended with the speech of Head of department Dr A D Bansod.
