**BRIEFING OF ACTIVITY:**

Quality education should be an important strategy in our nation's education. Teachers, especially college and university teachers are the main force of quality education. With fast growing technology across the world, the teachers have to be in harmonious with the new technology used globally. It becomes so important in this COVID-19 pandemic situation, where everybody is locked at home. Hence to orient teachers with new practices and innovation in education this workshop is organized on online platform.

Guest-Speaker **Prof. W.S.Marathe**, retired prof. of chemistry has touched the different aspects like quality teaching and good teacher, behavior in the class and the social responsibility, to connect with students with new technology etc.

**Dr. S. S. Thakare** introduced the speaker in the beginning of the workshop and at the end in his presidential talk, thank the speaker for guiding teachers and assured him on be teachers behalf to bring his suggestions into practice . **Mr. S. A. Wani**, Convener of the program has proposed the vote of thanks.
