All Vidya Mandir's Rajshree Shahu Science College is affiliated to Sant Gadge Baba Amravati University, Amravati. It is 100% government aided. Science College in the District Chandur Taluka. The College is having an undergraduate Bachelor of Science program and B.Tech. in Electronics and Telecommunication. All facilities are in place to start upon the college inners education with a vision responding to the demands of time and needs of the society taking into consideration the socially backward and marginalized students in higher education. The college has chosen quality over quantity in all departments like academic, sports, cultural activities, infrastructure, conductive teaching-learning atmosphere, administration. We are well equipped with all basic facilities and committed to grow better and better in future. Nursery in college is accredited with "A" COPQ 2.1 by NAAC, Bangalore.

About College

Vinayak Vidyan Mahavidyalaya was established in the year 1957 by the Pradhan Mantri National Trust, Amravati with a view to provide higher education in the Taluka. The college is affiliated to Sant Gadge Baba Amravati University, Amravati and recognized by Government of Maharashtra. Presently the college offers B.A. in Arts and B.Com. in Commerce with subjects: History, Psychology, Chemistry, Mathematics, Computer Science, Economics and Biotechnology.

About Workshop

In today's age of globalization and technological revolution, skill building is an important initiative to increase the efficiency and quality of labor for improved growth and economic growth. Industry education system is now focusing toward entrepreneurship with college curriculum including courses in skill development and marketing, social entrepreneurship, and focusing on the need and market for the scientific and innovative product of young people. In fact, many states across various services, outline the importance of entrepreneurship and creating globally skilled and competitive work force through education system. It is time to step up the research in applied study and help train to start their own business, in this objective Rajshree Shahu Science College and Vinayak Vidyan Mahavidyalaya is organizing a three days workshop on Nursery techniques and management.

Workshop

Nursery considered as a social and economic activity. There has been increased demand for horticultural crops in particular fruit and ornamental ones in both domestic and international markets. The demand for good quality planting material has increased and hence the nursery business has developed rapidly especially recent years in our country. In the selection of good planting material, and good caring in Nursery are the important step. The in general good quality and superior planting material is indispensable to meet the demand. Superior having skills of propagation go for this avenue to an entrepreneur of future. Nursery management is an important tool for the success of such entrepreneurship and will be a program for an profitable business. The present workshop provides information for nursery establishment, propagation techniques, seed, disease, and pest, water, specific and nutrient management and economic. The activities will also experience with practical knowledge of several techniques, which helps in establishing commercial nursery and meet the demand of agro-industry.

Objectives

- To impart basic knowledge of Nursery and develop skill about propagating, tools, equipment and growing on a large scale in nursery for mass production.
- To provide information on establishment of commercial nursery unit.
- To inculcate entrepreneurial skills of commercialization of nursery production.
