

Students Mentor Scheme

Introduction:-

Mentoring is an interaction process that provides opportunities for the mentor and mentees to experiences share and learns from each other's gifts and talents. The mentor-mentee relationships will have profound influence on the student's personal growth, careers development and even life values. To meets the requirements of student, Student mentor schemes were started in College in year 2015. Each teacher was allotted with 21 students. For proper monitoring of scheme mentor appointed a group leader from the list of allotted student. Time to time students mentor meeting was conducted to gain proper attention to the students.

Aims and Objectives:-

- To promote mentoring relationship between students and to encourage active participation by both parties.
- To expose students to role models so as to learn through the successes of mentor.
- To enhance students education, social and personal growth through learning from experience of mentors.
- To maintain a close link between the college and students
- To enable mentors to keep in touch with student life and college development through interaction with mentees.
