

Institutional Distinctiveness

Quality oriented higher education to rural students from all sections of the society is the distinctiveness of Atul Vidya Mandir's. Most of the people in rural environs are deprived of higher education and progress because of poverty and lack of educational facilities. Taking into account that sight of family and educational milieu as well as locality cavorts quality fixing of forthcoming generations and underpins learner's emotional learning, mental flourishing and overall personality need be addressed. With this objectives Rajarshee Shahu Science College which started its functioning in 2008 and since then it is working with the vision of providing quality education to rural youth, socially and economically disadvantaged learners leading to their prosperity, providing values based education through renaissance to make them better situation & to become an academy of excellence in higher education .Our mission is to create scientific temperament among the students, bring girls in the main stream of education, provide education to the socially backward and rural students, create cultural and cult of social service among the students and make students a responsible citizen. Day by day number of students taking admission in the college is increasing due to the healthy atmosphere and quality in education. Various co-curricular activities are conducted. Periodic assessment through assignment, internal exam, group discussions, seminars, projects etc. Various projects are given to the students on currents issues. Lead college lectures and through various subjects associations lectures current issues, personality development, soft skills, emotional intelligence, yoga are arranged.

Special efforts are taken to instil sense of social awareness and responsibility in students and they are encouraged to participate in social issues through NSS which has taken really remarkable activities where values like righteous conduct, love, national values, and national integration are inculcated. Society problem are also addressed effectively through NSS activities. Given the writing skill platform to students to express their thought's and emotion by college annual magazine 'Sankalp'. Sports department of our college also given training to various students so that they can participate in University, State and National level sports.

Other than this student are encouraged to bring new ideas and which are giving them the Opportunity that best will be always accepted and they can also actively participate in the development of the college. Facultyies are also encouraged to address various issues through various lectures outside the college campus. They are also encouraged to research on new topics.

Management support in these activities is very vital as they are always encouraging all the stakeholders to share their ideas and to participate in the development of the college. All these efforts ultimately result in the overall development of the students.
